

# IT'S TIME TO #RESPECT MIGRAINE

## SO WHAT ACTIONS ARE YOU GOING TO TAKE?

1  
Enhancing professional training on  
migraine for all health care professionals

2  
Implementing care pathways  
addressing patients' needs

3  
Ensuring appropriate funding for  
high-quality migraine care

4  
Increasing public understanding  
and awareness of migraine

5  
Improving work-related outcomes  
for people with migraine
