

## WP Goal 1500 mm - Portable/Inflatable

An affordable and practical water polo goal solution. Made in a strong reinforced PVC with welded hard plastic solid corners.

This goal size is made for ball practice in a smaller area and may be easily affixed between two lane ropes.

Takes only a few minutes to inflate and install. Supplied with a pump and comes in a practical storage bag with handles. In the kit there are also 2 rubber straps with snap hooks for easy installation.

Portable and easy to move and store. Easy to maintain and use.

### Unique Qualities:

- Effective ball training: may be placed in between two lane ropes in a smaller swimming pool
- Great for pool, hotels and ocean play
- Portable and easy to move and store
- Easy Quick Inflate / Deflate Valve
- Easy to maintain and use
- Auto Lock Valve System
