HOME COFFEE MACHINE CLEANING KIT

POWDER FORM IN PORTIONED SACHETS

Introducing Cafetto's monthly cleaning pack for home use. This kit contains three products for a complete traditional machine clean:

- 4x EVO Espresso Machine Cleaner 5g sachet.
- 1x MFC Powder Eco Milk Line Cleaner 10g sachet.
- 1x Renew Descaler 25g sachet.

The cleaning kit is packaged using pre-portioned sachets to provide the home barista with convenience and accurate dosing to keep their traditional home machine clean and sparkling. This pack contains products that are suitable for organic systems and sealed in recyclable packaging to satisfy an eco-friendly solution for the sustainably minded home barista.

CERTIFIED FOR ORGANIC USE

All three products in the kit are registered with the Australian Certified Organic (ACO) as an allowed input for organic systems.

CONTENTS OF THE PACK

EVO ESPRESSO MACHINE CLEANING POWDER

With its rapidly soluble and free-rinsing formulation EVO® cleans like no other espresso machine cleaner and leaves no trace odours. Coffee oils, grounds and stains are removed, improving the taste and aroma of espresso after the machine is cleaned.

MFC POWDER ECO

Milk Cleaner that's gentle on the machine, effectively kills 99.999% E.coli and Listeria Monocytogenes.

RENEW DESCALER

Contains a synergistic blend of organic acids that give outstanding scale removal. All ingredients are readily biodegradable meeting international standards. Designed for espresso machines and coffee brewers. Renew can also be used in kettles and urns.

Cafetto® is certified by independent globally recognised industry bodies

HOW TO USE

We recommend to follow the manufactures instructions for cleaning.

The sachets are pre-measured, single-use portions for ease of operation.

1. Use one Evo sachet weekly for backflushing your machine and cleaning coffee oils, grounds and stains to improve flavour of espresso.
2. Use MFC Powder Eco sachet monthly to clean milk frothers and steam wands.
3. Use Renew Descaler sachet monthly to remove hard water scale.

RECOMMENDED FOR

Traditional home espresso machines.
