

MARVESA

7th Kids Futsal Jamboree 2024

Healthy competition, healthy choices

In October 2024, Marvesa proudly partnered with Werkgroep '72, to sponsor the 7th edition of the Kids Futsal Jamboree in Jakarta, Indonesia.

This football tournament is the highlight of a year-long training program, organized by the KDM foundation (kdm.or.id) and supported by Werkgroep '72 (werkgroep72.org). This program supports 370 underprivileged children by providing them with weekly football lessons at nine locations across Jakarta.

The program's mission is to teach children essential life skills through sports, such as teamwork, discipline, and perseverance. This year, both boys' and girls' teams participated in the tournament, with players from a range of age groups.

By sponsoring this Futsal tournament, Marvesa reaffirms our commitment to supporting the communities we engage with, fostering opportunities for children to thrive and grow through sports.
