Loan Originator enters into the present Agreement by its representative Mintos. Detailed disaggregation of rights and duties of the Loan Originator and Mintos is provided in Section 5 of the General Terms and Conditions.

2.2. If applicable, before signing of this Agreement the Loan Originator converts the principal amount of Claim from the Currency used in the Loan Agreement to the currency of the Claim Price based on the Exchanged Rate.

2.3. The Claim is the aggregate of claims of the Loan Originator arising out of the Loan Agreement specified in the Basic Terms and Conditions. The Claim involves the claim of the Loan Originator for the Interest in the amount specified in the Basic Terms and Conditions which is not the entire claim of the Loan Originator arising out of the Loan Agreement for payment of the Interest. The Loan Originator reserves its claim rights towards the Borrower for payment of the interest, as well as other claims to the extent that such claim is not transferred (assigned) to the Assignee or another User.

2.5. The Claim shall be transferred from the Loan Originator to the Assignee at the moment when the Assignee has fully paid the Claim Price to the Loan Originator in the manner prescribed in Clause 4.2 of General Terms and Conditions. The Assignee confirms and understands that the Claim transferred to the Assignee does not have priority against claims of other Creditors (including Loan Originator) arising from the Loan Agreement. Any funds received from the Borrower shall be distributed between Creditors pursuant to the Agreement considering the principle of proportionality.

2.7. Mintos shall ensure a possibility for the Assignee to familiarize itself in the Portal with the sample loan agreement pursuant whereof the Loan Agreement was concluded.

The Assignee's payment is made by transferring the virtual money equivalent to the Claim Price from the Assignee's Virtual Account to the Loan Originator's Account without actual payment of monetary funds. The purchase of the Claim made by the Assignee after confirmation of the terms and conditions of the Agreement becomes binding to the Assignee, and Mintos shall immediately withdraw the virtual money equivalent to the Claim Price from the Assignee's Virtual Account.
