

Technical Information

AUTOSOL® METAL POLISH SUPER GLOSS

Product information

AUTOSOL® METAL POLISH SUPER GLOSS Suitable for a wide range of applications: Spectacular shine production, polishing out light scratches, removal of light deposits of rust and oxidation. Applicable on various materials: metals (aluminium, copper, brass, stainless steel, chrome ...), plastic, paint and fibreglass.

Application

Shake bottle before use. Apply an even thin layer. Polish with a soft cloth in circular movements until the desired cleaning and polishing result is achieved. Polish out any residue with a soft cloth.

Note

On coated surfaces, test first on an inconspicuous area. Protect from frost.
