## MIRAKLU

Primetime Monday / 20.50

Following a four year absence from locally produced TV series, TAKE2 Productions, the name behind the top quality content of 'Evangelisti', 'Deceduti', and more recently, the balls-out, satirical show 'Min Imissu?!', returns with a groundbreaking new dramedy.

'Miraklu' tells the story of Joey 'Il-Paps' Bonavia, single father of five. Desperately in need of a job and trying to make ends meet

Paps finds that the life he once knew, and all prospects of a bright future, have been taken away from him. He soon realises that it's going to take a miracle if he is to salvage this hopeless situation. Incredibly, that is just what he gets.

This is a quirky, fast paced comedy brimming with loveable characters, absurd comedic tension and truly a joy ride for all the family.
