SCRUM, **but**...

What's that all about

- Work as a team
- Do Scrum by the book
- Talk
- Evolution not revolution

8:00 - 16:00

There is always a problem
and the problem is with communication

Scrum, **is not a** panaceum

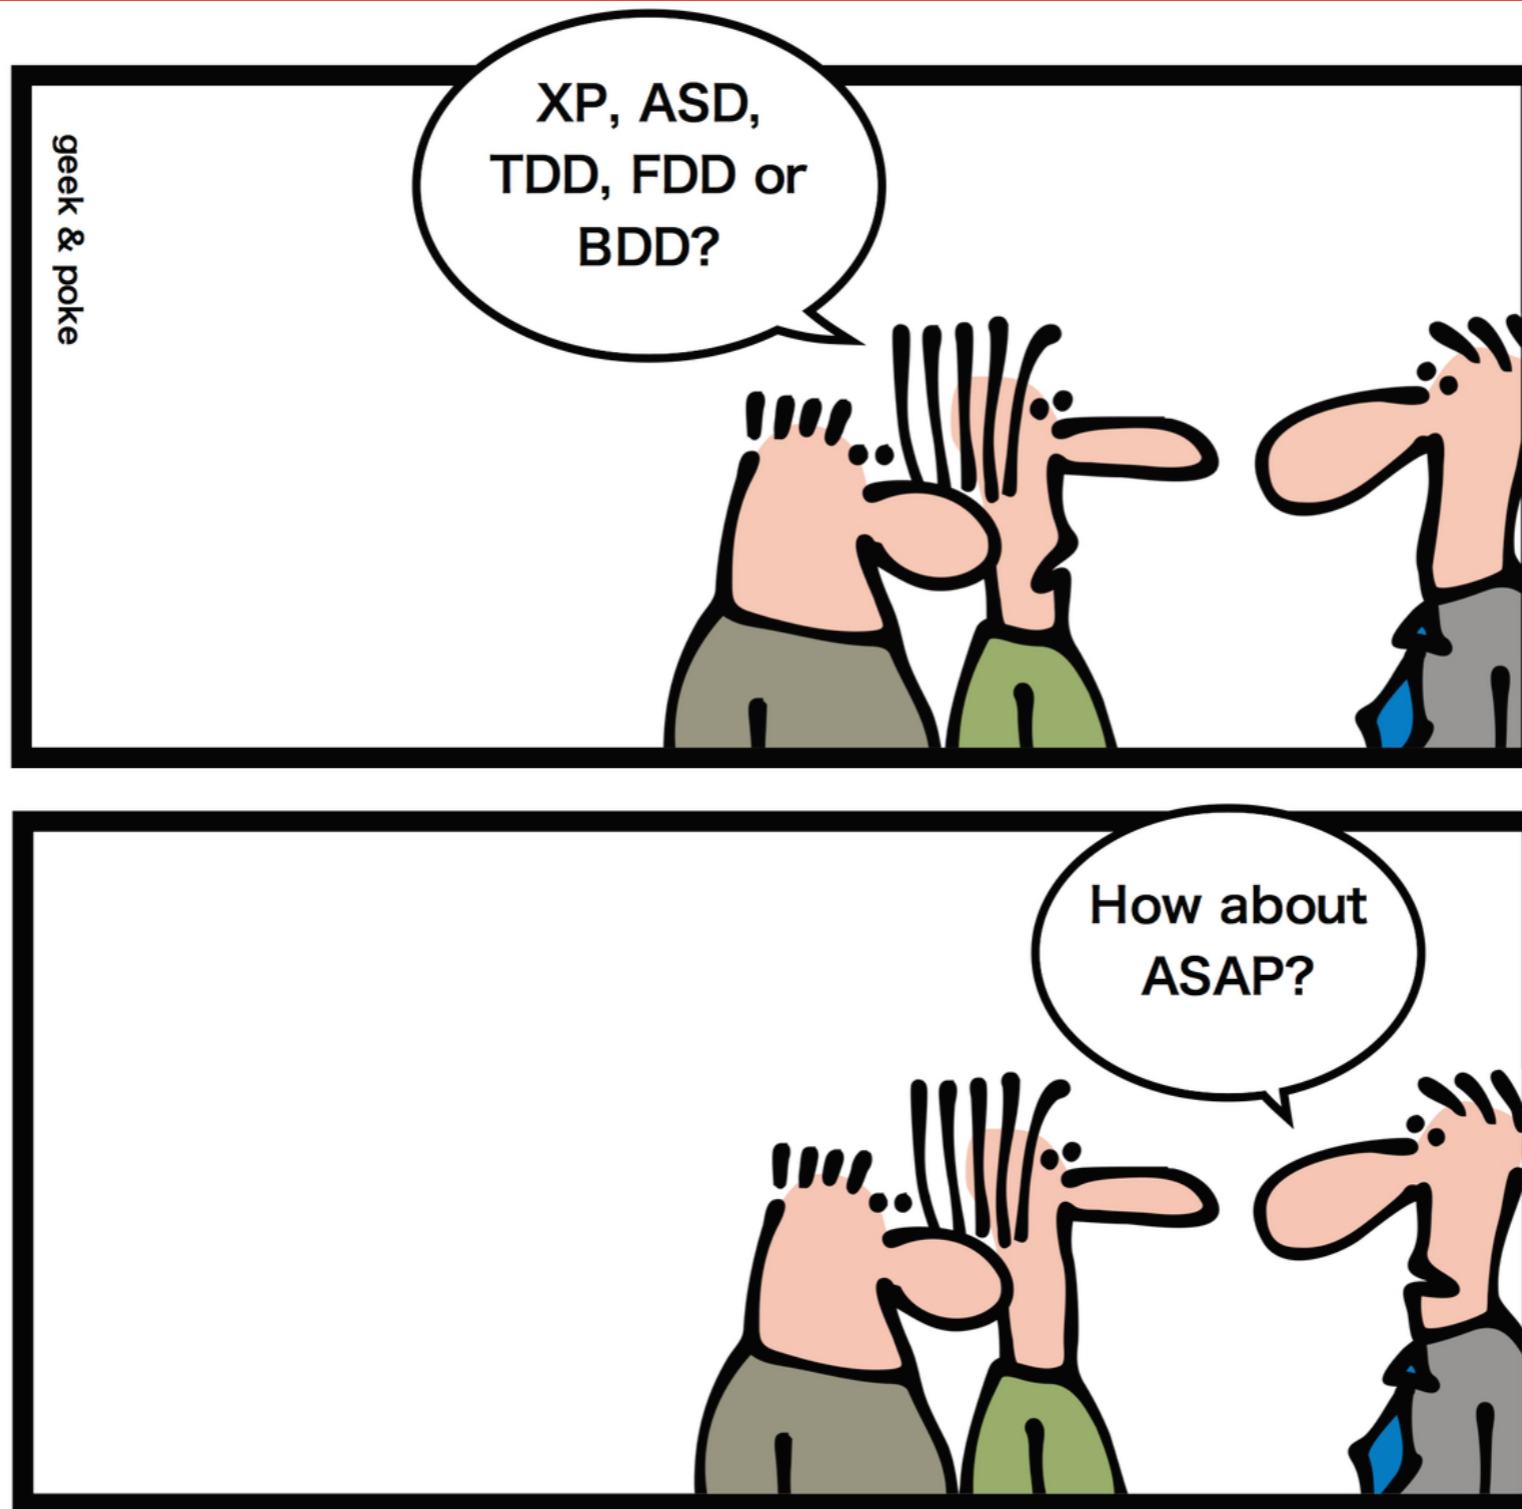

SCRUM, **but**... no daily

Scrum, **but**... no sprint goal

SCRUM, **but**... daily confessions

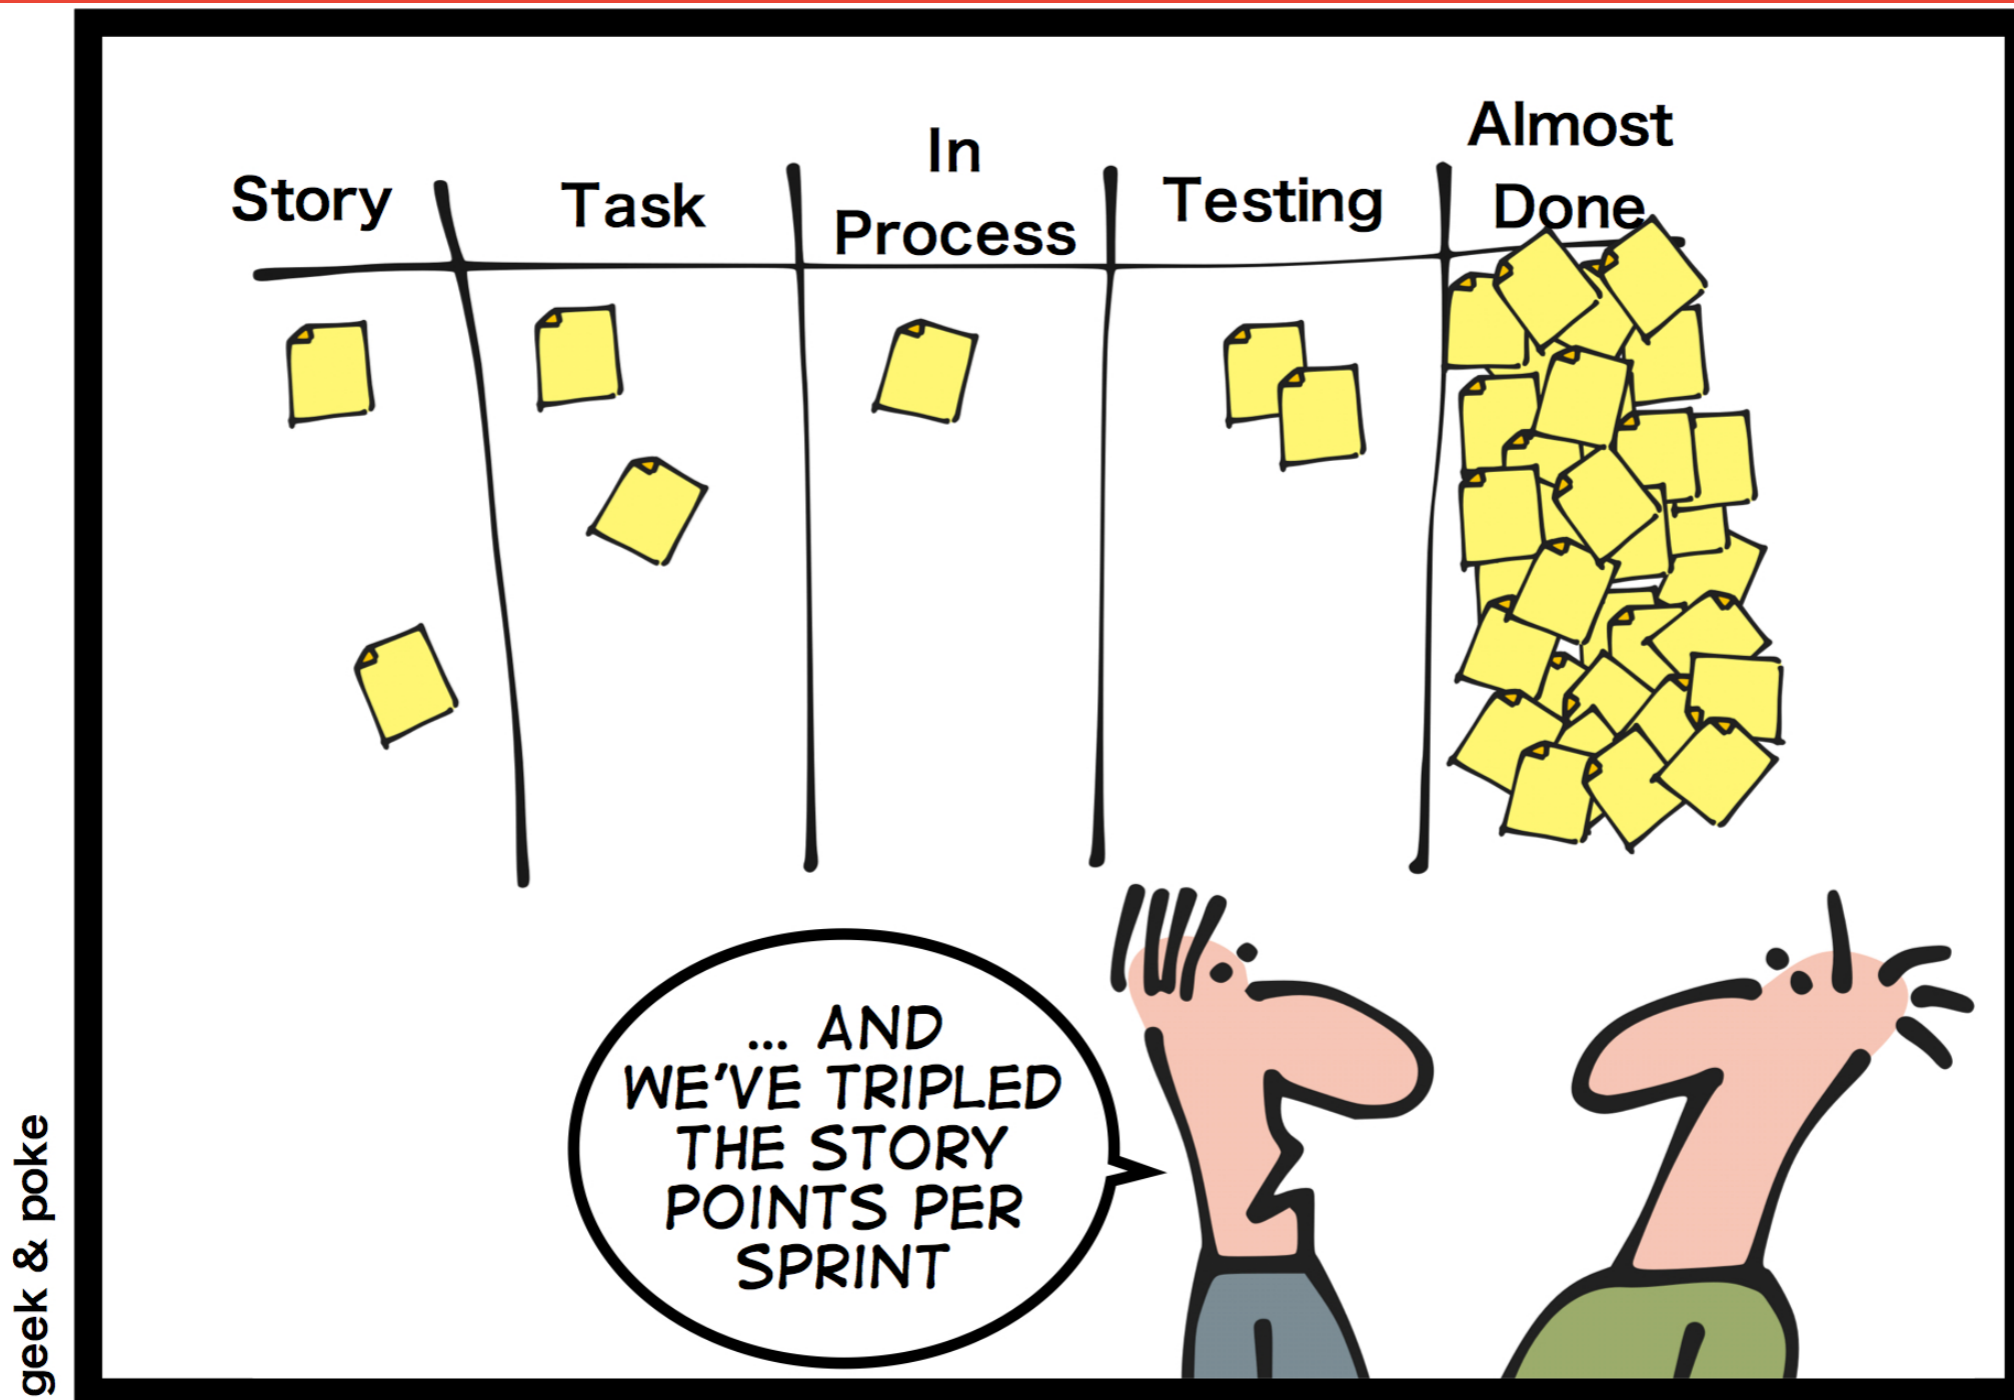

Scrum, **but**... ASAP

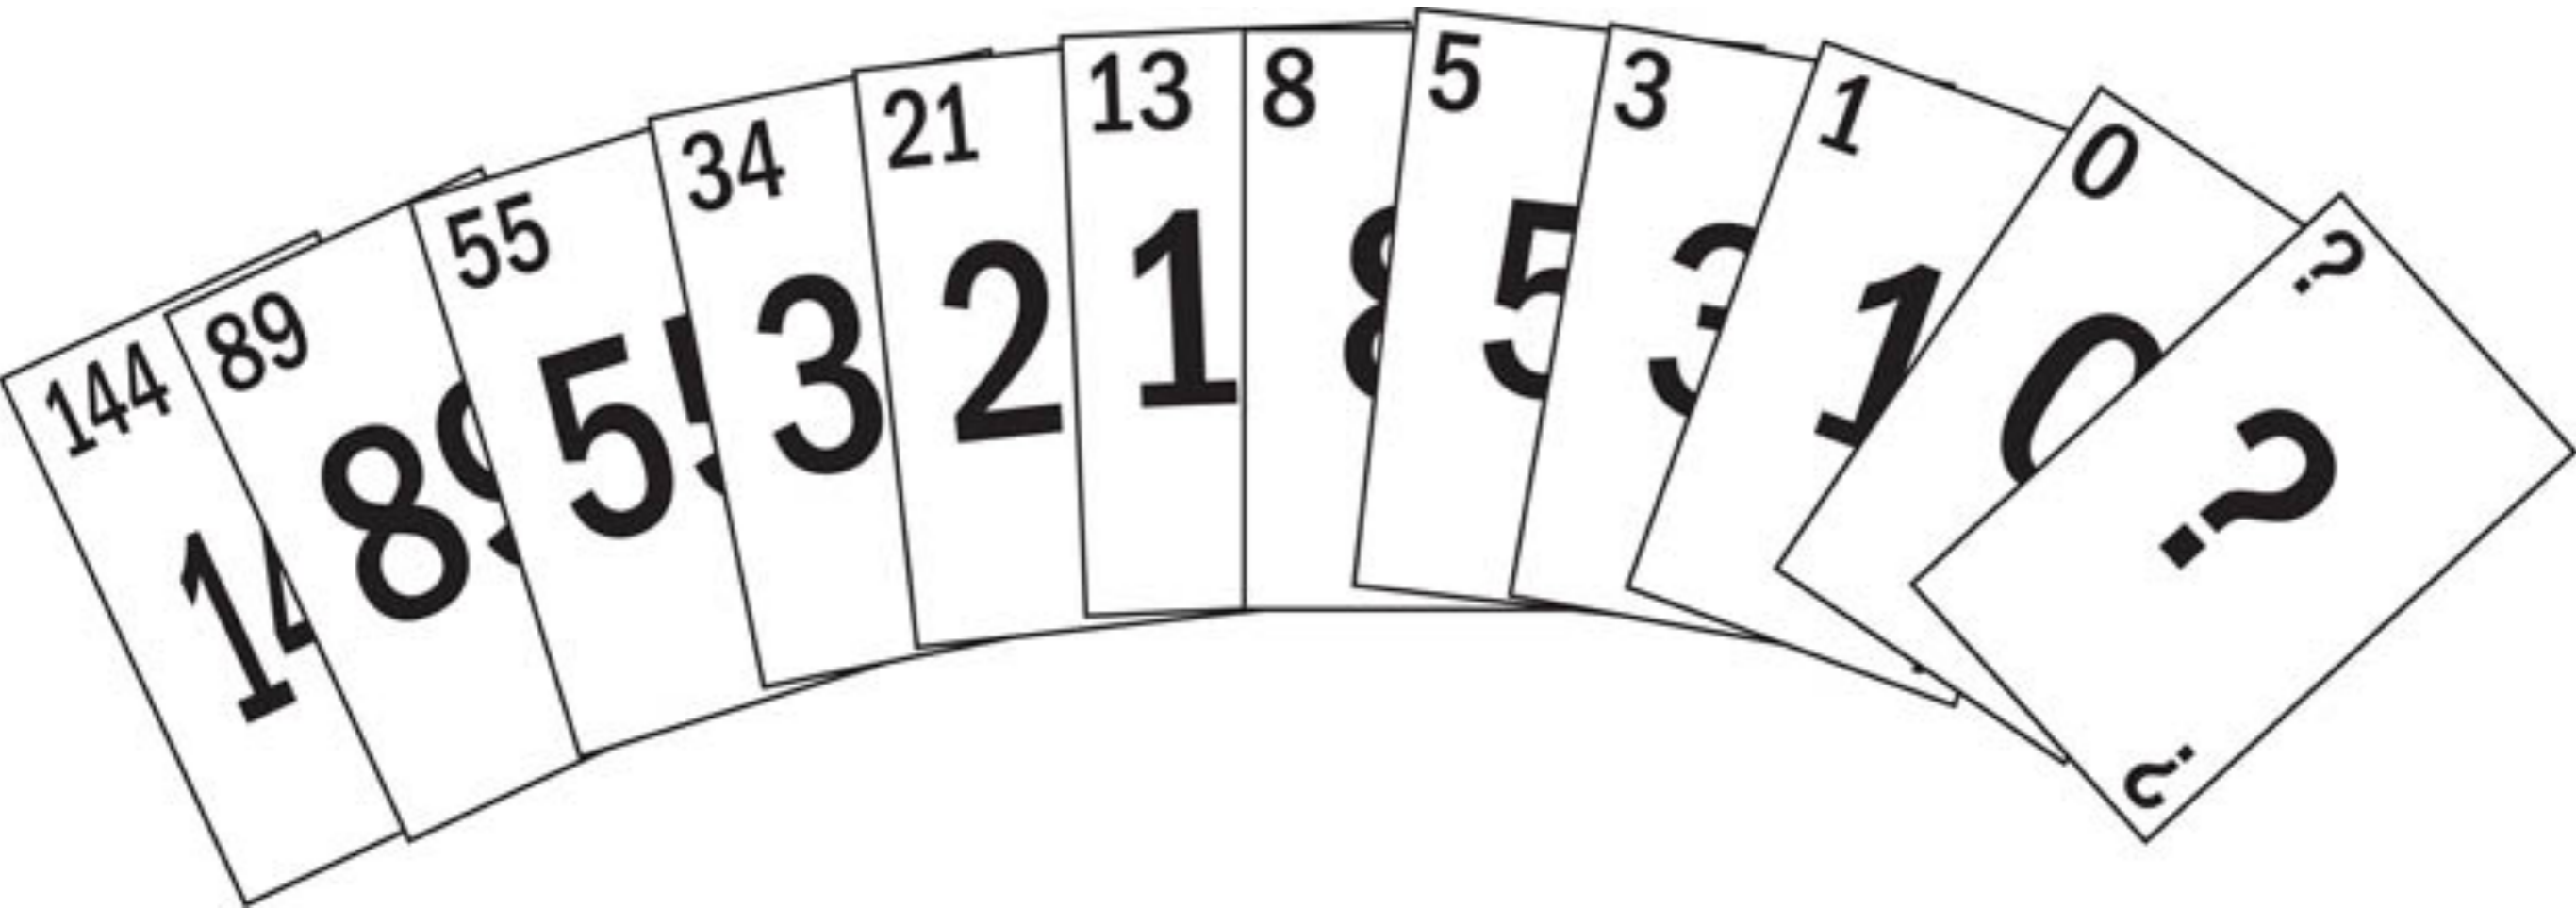

SCRUM, **but**... refinement of epic stories

Scrum, **but**... acceptance criteria

Scrum, **but**... definition of (almost) done

SCRUM, **but**... no estimates

Small

Medium

Large

SCRUM, **but**... large estimation scale

SCRUM, **but**... no timebox

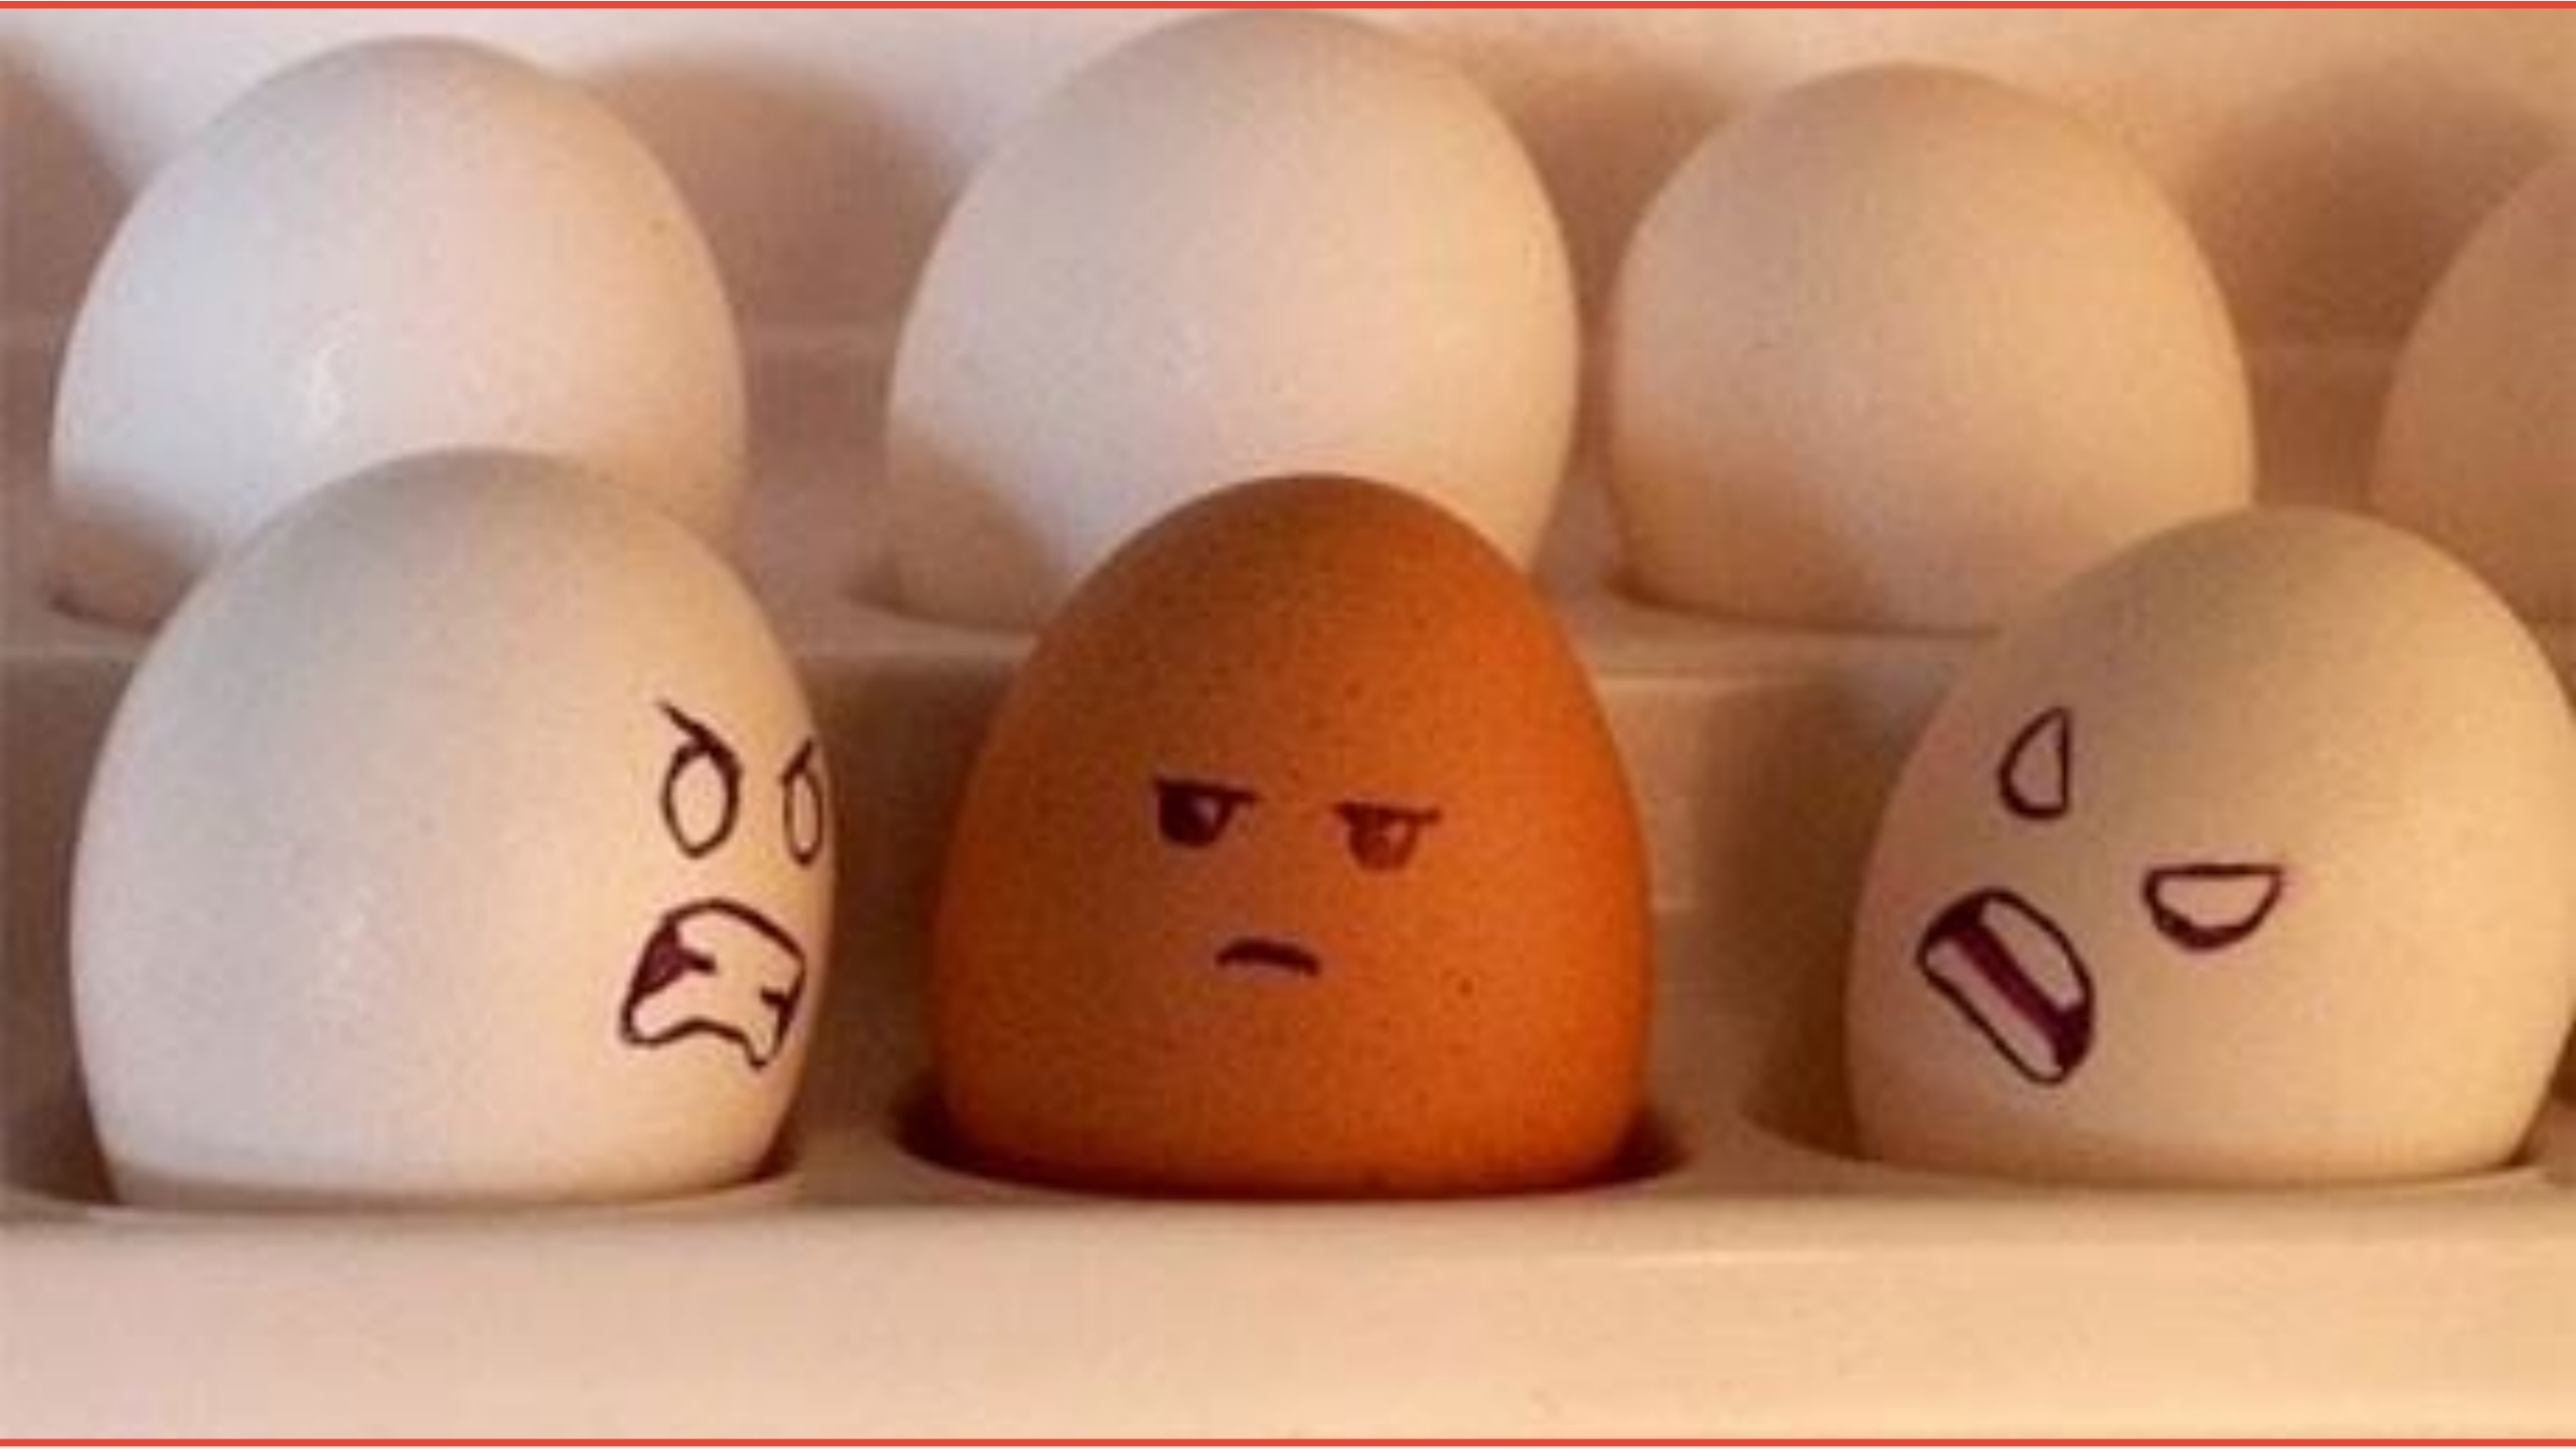

SCRUM, **but**... no retrospective

Scrum, **but**... no transparency

Retrospective

Security Check

Scrum, **but**... focus on process not people

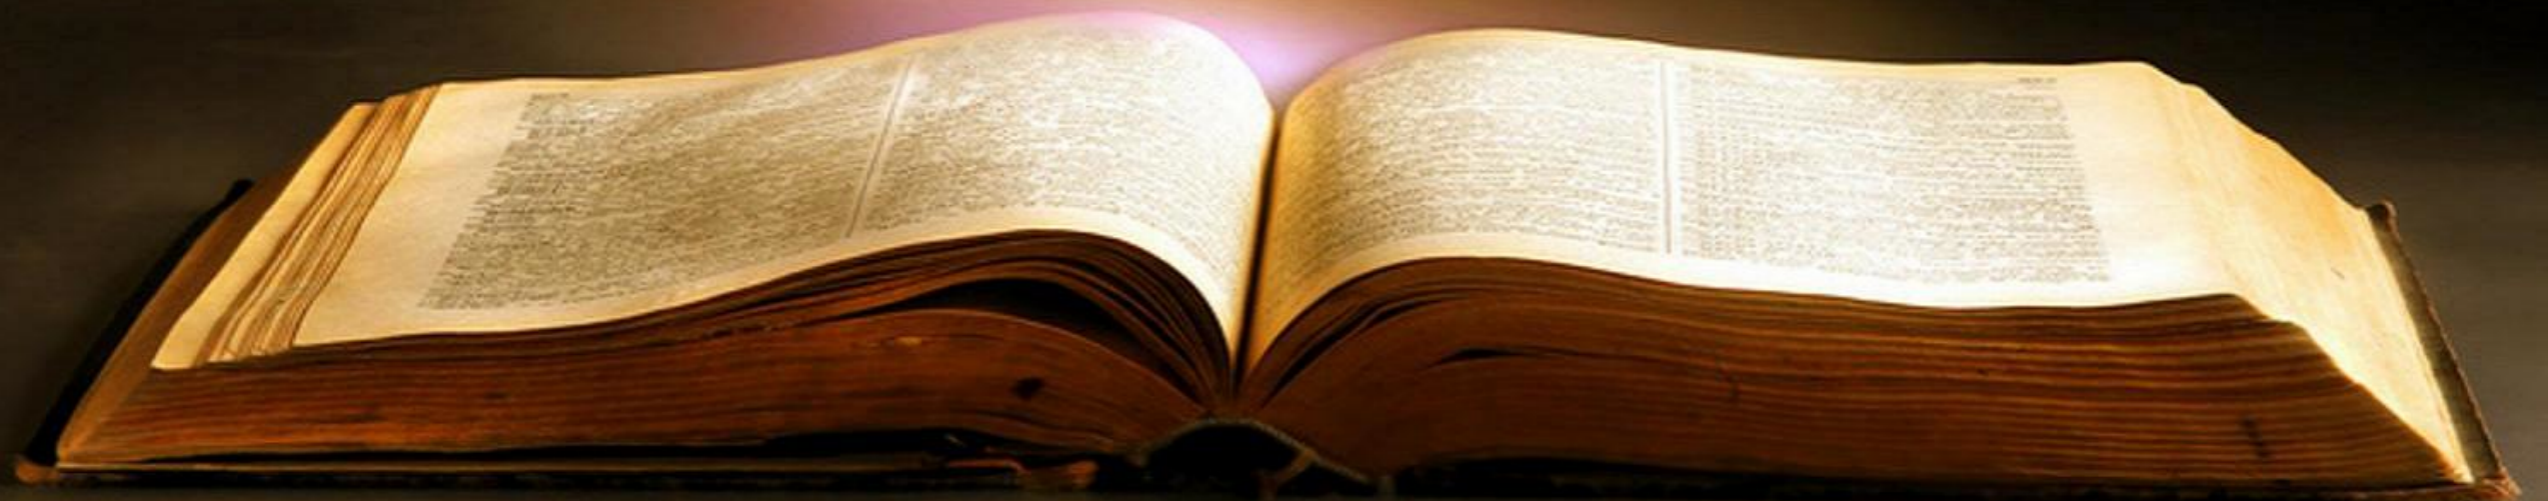

SCRUM, **but**... cossacks

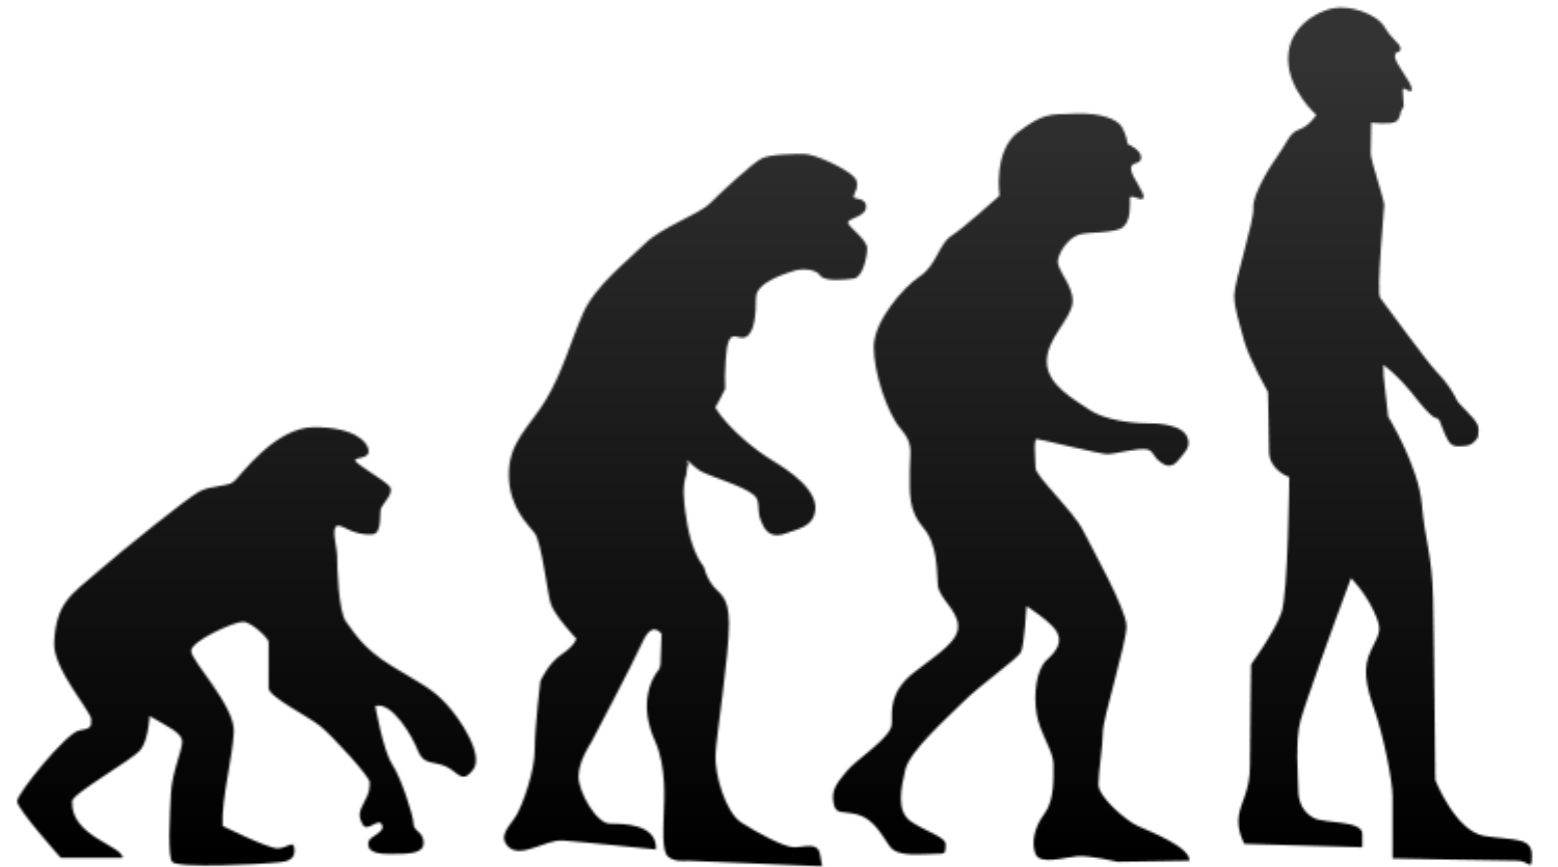

Scrum, **but**... cross-functional

Scrum, **but**... deep water

Scrum, **but**... Scrum guide

Scrum, **but**... evolution not revolution

Scrum, **but**... shu-ha-ri
