OSGI?!
I will show you
OSGI!

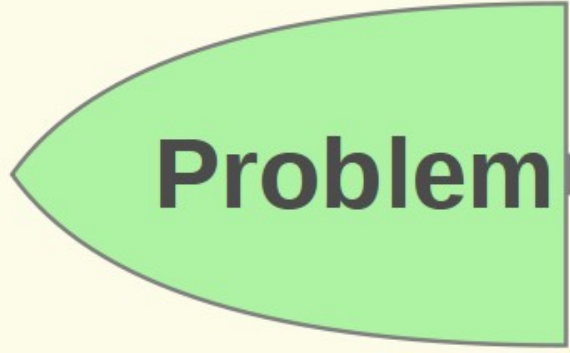

- 
- A black and white photograph of a group of men in a meeting room. Several men are seated around a table, and some have their hands raised, suggesting a discussion or a vote. The room has wood-paneled walls and a window in the background. The overall atmosphere appears to be one of a formal or semi-formal gathering.
- only some people contribute

A photograph of a volcanic eruption. A large, billowing plume of white smoke and ash rises from a dark, rocky vent against a black background. The plume is dense and textured, with some wispy smoke trailing off to the right. The overall scene is dramatic and powerful.

Groupthink is a psychological phenomenon that occurs within a group of people, in which the desire for harmony or conformity in the group results in an **irrational or dysfunctional decision-making outcome.**

- not only about facts
- warning: groupthink!
