

Waterproof to	• 250 M / 820 FT / 26 ATM
Video resolution	• 4k-30 fps / 1080p-100 fps / 720p-200 fps
Still resolution	• 8 MP
Color correction (WB)	• Normal + DCC (Depth controlled Color Correction) (can be turned on/off)
Battery life	• LiPo – 1600 mAh / 3+ hrs recording (1080p – 30 fps) / 2+ hrs recording (4K – 30 fps)
App	• Viewing / Sharing / Settings (iOS, android & Windows)
Usable with gloves	• Yes
Shockproof	• Yes
LDC – Lens Distortion Correction	• 140° degrees w/ lens distortion correction
Weight	• 155 g (5.5 oz)
Dimensions	• 116 x 35 x 38 mm (4.5 x 1.4 x 1.5")
Housing	• Military grade aluminum & titanium
Video format	• MOV – H.264 codec
Audio recording	• Yes (internal microphone)
Port	• USB-C (for fast charging)
Storage	• 64 GB Micro SD-card (Class: U3 or V30) – not included
Mounts	• Mask mount included & universal mount included
Dive log video overlay	• Yes
Connectivity	• WiFi, Bluetooth & USB
Display	• 0.5" OLED
Operating temperature	-20°C to 85°C / -4°F to 185°F / EVA padding (minimizing battery discharge in cold water)
Sensors	• Pressure / Temperature
Sensor size	• ½.5 inch
Extra housing needed	• No
