### **Safe Citizen**

29-10-2020

Dear PFTC Training Providers and Members,

We would like to make you aware of a new campaign or movement that has launched, it may be of interest to you. The PFTC has, in the past supported other stakeholders in the firearms industry as well as organisations who share our goal of building and maintaining a professional and safe firearms industry.

We have recently become aware of a campaign called the "Safe Citizen campaign". We believe and support this common goal and would like to share this information with you. The Safe Citizen campaign; amongst other things, promotes the concept of a lawfully armed citizen. They have officially launched their media campaign today and were kind enough to include the PFTC in their mailing list. For more information visit their website: [www.safecitizen.co.za](http://www.safecitizen.co.za)

Kind Regards,

**Mac McGuire**
