### **Sad News – Passing of Adv. John Welch President of SAGA**

10 January 2024

Good day Training Providers

I am writing this newsletter with a heavy heart accompanied with a sense of sadness that I need to share with you.

I was informed yesterday of the passing of Advocate Welch, a mentor, and President of the South African Gunowners Association.

Advocate Welch has been an icon, leader, and pillar of knowledge for the firearms industry for numerous years and we will certainly feel the void that he has left behind. We will certainly miss John Welch's wisdom and contribution.

I am sure many of you will miss Advocate Welch dearly especially his insight, business acumen and ethics.

Kind regards,
