

Newsletter No 101 of 2025 Submission of 3rd Quarter Moderation Overview Document for 2025

17 October 2025

Good day Training Providers,

Please note that the Moderation Overview Document for the 3rd Quarter of 2025 needs to be submitted to the PFTC on or before **Friday 07 November 2025** by your External Moderator. Failure to submit said document on time, your access to the PFTC LMS will be restricted until such time that we have received this completed document.

Your External Moderator needs to email your 3rd Quarter Moderation Overview Document and not the Moderation Report to moderations@pftc.co.za

I would like to thank those providers that have already submitted their 3rd Quarter Moderation Overview Document.

Kind regards,
