

Newsletter No 57 of 2026 Submission of 1st Quarter Moderation Overview Document for 2026

06 May 2026

Good day Training Providers,

Please note that the Moderation Overview Document for the 1st Quarter of 2026 needs to be submitted to the PFTC on or before **Friday 29 May 2026** by your External Moderator. Failure to submit said document on time, your access to the PFTC LMS will be restricted until such time that we have received this completed document.

Your External Moderator needs to email your 1st Quarter Moderation Overview Document and not the Moderation Report to moderations@pftc.co.za

I would like to thank those providers that have already submitted their 1st Quarter Moderation Overview Document.

Kind regards,
