

New!

AAC CHROME

Yellow Pea

Outshines The Competition

A proven yield leader in all three prairie provinces, AAC Chrome outshines the competition with superior yields and agronomics that allow for a fast, efficient harvest.

Parentage: Polstead/CDC715S-4

Highlights

- New yield standard for yellow peas
- Rated 'Good' for seed coat breakage
- Easy to harvest
- Resistant to powdery mildew
- Semi-leafless
