

Touch Sensor

Product number:	45507
Product name:	LEGO® MINDSTORMS® Education EV3 Touch Sensor
Age:	10-21
Theme:	LEGO® MINDSTORMS® Education
Related products:	45500, 45501, 45502, 45503, 45504, 45505, 45506, 45508, 45509, 45514, 45515, 45516, 45544, 45560, 2000045, 2000046, 2005544
Product text:	The analog EV3 Touch Sensor is a simple but exceptionally precise tool that detects when its front button is pressed or released and is able to count single and multiple presses. Students can build start/stop control systems, create maze-solving robots and uncover the technology's use in devices such as digital musical instruments, computer keyboards and kitchen appliances.
