Research Methods and Data Science (online)

This online course is offered twice a year in parallel with the on-campus courses. Upcoming intakes run October 26–December 11, 2026, and June 28–August 12, 2027. Students may choose either intake. The course is highly relevant for thesis research.

Thesis defenses take place twice a year (January and September). Students defend their thesis on the earliest date after completing their last course.
