

SURPRISE AND TASTE!

The plates are full of captured flavours of preserved root vegetables, berries and herbs which were harvested from our roof top field, forests and local fields. Responsibly chosen fish from Finnish lakes and the Arctic Ocean and locally produced meat take the leading role.

Experience 59 €

Experience is a four course surprise menu which teases your every sense and celebrates the season inside seasons.

The diverse ingredients from producers from our gastronomic region and the surrounding nature, combined with our original way of cooking, brings the best out of the food.

An ode for the area and its gastronomy!

Please reserve about 2,5 hours for the experience.
