SUMMARY REVIEW OF THE FIRST NINE MONTHS OF 2026 9

CORPORATE PROFILE

Türkiye Sigorta, the largest and leading insurance company in Türkiye, commenced its operations on 31 August 2020 through the merger of Ziraat Sigorta and Halk Sigorta under the roof of Güneş Sigorta, within the framework of the New Economy Program of the Republic of Türkiye Ministry of Treasury and Finance, with the aim of increasing the savings base of the Turkish economy and developing the non-banking financial sector.

Leveraging its deep-rooted heritage and strong corporate structure, Türkiye Sigorta aims to position the Turkish insurance sector competitively on a global scale and to broaden the reach of insurance services, supported by its expert human resources and advanced technological infrastructure.

Headquartered in Istanbul, Türkiye Sigorta has a broad and robust service network, serving 5.4 million customers through 12 regional agency offices, 11 regional bancassurance offices, 3,964 agencies, 4,960 bank branches, 169 brokers, and 329 direct sales teams, supported by a total of 1,525 employees.

Türkiye Sigorta operates with an agile, innovative, and customer-centric approach, in line with its vision of transforming the insurance experience from “after” to “before,” aiming to provide a secure future for its policyholders by delivering fast and effective solutions to their needs at every moment of life.

With the consolidation of the product and service structures of three insurance companies under a single roof, Türkiye Sigorta has one of the broadest product portfolios in the sector; in the non-life insurance field, it provides services across a wide range of lines, primarily including fire and natural disaster, accident, health, motor own damage, marine, financial losses, and general liability.

As of the end of September of 2026, the Company’s market share stood at 15%, total premium production reached TL 134.6 billion, total assets amounted to TL 184.5 billion, and net profit for the period was recorded at TL 8 billion.

Türkiye Sigorta’s main shareholder is TVF Finansal Yatırımlar A.Ş., which holds 76.10% of the Company’s share capital, while the remaining 23.90% is publicly traded on Borsa İstanbul.

Türkiye Sigorta is a member of the Insurance Association of Türkiye, the Turkish Investor Relations Society (TÜYİD), and the Business Council for Sustainable Development Türkiye (SKD Türkiye); and holds the ISO 9001:2015 Quality Management System, ISO 18295-1/2:2017 Customer Contact Center Management, ISO 22301:2019 Business Continuity Management System, ISO/IEC 27001:2022 Information Security Management System, ISO 10002:2018 Customer Satisfaction Management System, and ISO/IEC 42001:2023 Artificial Intelligence Management System certifications.

As a result of the evaluation conducted by JCR Eurasia Rating in 2026, our Company’s credit ratings were determined as follows: AAA (tr) on a long-term national scale, J1+ (tr) on a short-term national scale, and BB on a long-term international scale in both foreign and local currency; the outlook for all ratings has been assigned as “Stable.” As of 31 December 2025, our Company’s Corporate Governance Rating has increased to 9.66, and this rating remains valid until 31 December 2026.

OUR VISION, MISSION, VALUES

Our Vision

By transforming the insurance experience from “after” to “before” in ten years, we hope to establish ourselves as a globally known technology company that has the ability to use its power for good and provide solutions for the need of trust for everyone who aspires to a bright future.

Our Mission

Whenever you need trust, Türkiye Sigorta is there for you.

Our Values

- Self-confident; Being a pioneer, global scale, redefining the insurance experience
- Virtuous; Being a good person, values, responsibility, importance and respect, doing the right thing, setting an example
- Curious; Discovering, learning, excitement, understanding the past and building the “beyond”
- Sensitive; Listening, understanding, acting sincerely, showing care, placing our relationship with our stakeholders at the heart of our business

OWNERSHIP STRUCTURE

Türkiye Sigorta’s shareholding structure is based on a strong capital structure in which Türkiye Wealth Fund is the main shareholder. 76.10% of the Company’s shares belong to Türkiye Wealth Fund, while the remaining 23.90% of the shares are traded on Borsa Istanbul. This structure supports Türkiye Sigorta’s leading position in the sector while also demonstrating its commitment to the principles of transparency and accountability as a publicly traded company.

Shareholder	Share Ratio	Share Amount (TL)
TVF Finansal Yatırımlar A.Ş.*	76.10%	15,220,343,786
Other	23.90%	4,779,656,214
TOTAL	**100.00%**	**20,000,000,000****

* Türkiye Wealth Fund owns 100% of TVF Finansal Yatırımlar AŞ

** As part of the bonus share capital increase, the Company’s share capital was increased from TL 10 billion to TL 20 billion. The CMB approval regarding the capital increase was obtained on 10.06.2026, and the amendment to the Articles of Association was registered by the Istanbul Trade Registry Office and announced in the Turkish Trade Registry Gazette dated 22.06.2026 and numbered 11606.

COMMITTEES

The committees established within the Board of Directors of Türkiye Sigorta operate to ensure compliance with corporate governance principles, the effective management of risks, and the development of internal control systems. The committees carry out their activities in accordance with the relevant legislation and internal company regulations, and regularly report to the Board of Directors.

- **Corporate Governance and Sustainability Committee**

Responsible for ensuring compliance with corporate governance principles, overseeing investor relations activities, and monitoring sustainability practices. It contributes to the effective management of shareholder relations and follows environmental, social, and governance (ESG) practices.

- **Audit Committee**

Responsible for ensuring the accuracy and transparency of the Company's financial reporting processes, overseeing the effectiveness of internal control and internal audit systems, and monitoring independent audit activities. The Committee evaluates the financial statements and presents its opinions to the Board of Directors.

- **Early Detection of Risk Committee**

Operates to ensure the early identification of risks that may affect the Company's existence and continuity, the implementation of necessary measures, and the enhancement of the effectiveness of risk management processes. It regularly submits its assessments regarding risks to the Board of Directors.

- **Information Technologies Steering Committee**

Operates to ensure that the Company's information technology strategies are defined and implemented in alignment with its business objectives. The Committee evaluates digital transformation initiatives, IT investments, cybersecurity, and data management processes, and determines priorities in these areas. It also oversees the effective management of IT risks and provides recommendations to enhance the Company's competitiveness in line with technological developments.
