TÜRKİYE SİGORTA

Investor Presentation

Date: 26.10.2026
Prepared by: Türkiye Sigorta Investor Relations

Disclaimer

This presentation is prepared by Türkiye Sigorta A.Ş., based on general ideas and it is subject to change without notice. It is based on information obtained from sources that the Company believes to be reliable, but the Company does not guarantee the authenticity and completeness of information.

This presentation does not constitute an offer or invitation to sell any securities and does not include incentives or offer to buy or to request in advance. The information contained in this presentation or its completeness, authenticity and accuracy of this information, may not be relied upon for any purpose. Information in this presentation is subject to verification, completion and change. Thus, depending on the reality of information, its completeness and accuracy, representation or guarantee is not implied or given on behalf of the Company or its shareholders, directors, employees and other third parties. Neither the Company nor its shareholders, directors, employees, or any third party accepts any liability, no matter how much loss arising from use of this presentation or its contents incurred.

Türkiye's Leading & Largest Insurance Company: An Overview

❖ **MARKET LEADERSHIP & EXPERTISE**
- Largest and leading insurance company in Türkiye with growing market share, robust capital foundation and strong insurance sector expertise and heritage since 1957

❖ **STRATEGIC MERGER & FOUNDATION**
- Formed as Türkiye Sigorta in 2020 following the merger of the insurance subsidiaries of three state-owned banks under the Türkiye Wealth Fund

❖ **COMPREHENSIVE PRODUCTS & VALUE PROPOSITION**
- Provides personal, commercial and corporate **non-life insurance** products: health, fire and natural disasters, motor, agriculture, etc.
- Leading provider of innovative and **customer-centric** insurance products to meet the evolving needs of **individuals and businesses, supported by a unique distribution model**
- **Robust financial performance** with **high profitability from its operations and investments**
- **Investment portfolio** adjusted in a real-time in line with market dynamics

MISSION: Whenever trust is needed; Türkiye, Sigorta

VISION: To be a national insurance champion and a leading global player in the insurance industry

Our 1st Engine: Underwriting Performance

Combined Ratio Below 100% for 10 Consecutive Quarters[1]

Structural Drivers:

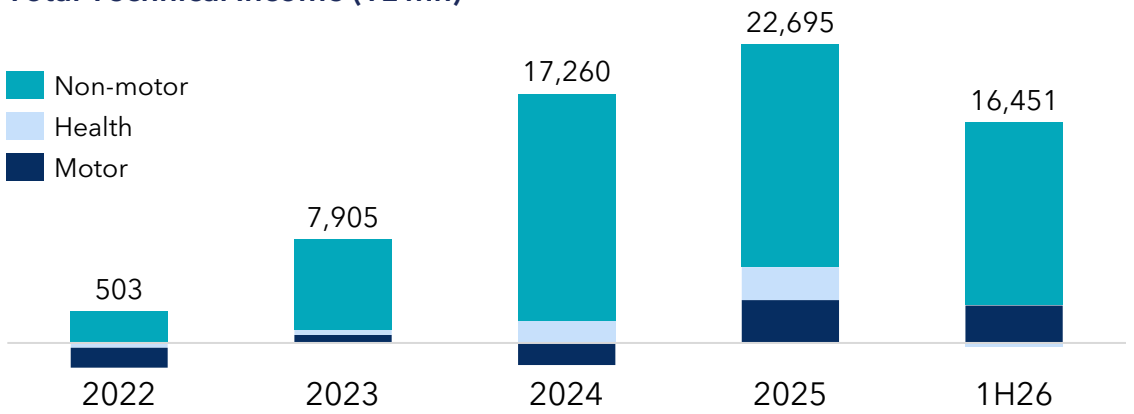

- **2022 → 2023 (-24 pp):**
  - Reinsurance capacity expansion post-earthquake
  - Claims process digitalization (fraud detection)
- **2023 → 2024 (-9 pp):**
  - Non-motor mix shift (from 58% to 64%)
  - MTPL[2] underwriting (portfolio rebalancing while sustaining product accessibility)
- **2024 → 2025 (-2 pp):**
  - Agriculture reserve adequacy review
  - Health segment automation
- **1H25 → 1H26 (-9 pp):**
  - The combined ratio reflected the impact of the frost event in General Losses in 2025

Source: Türkiye Sigorta and Insurance Association of Türkiye (TSB) (1) The combined ratio has remained below 100% on a cumulative basis for 10 consecutive quarters since 1Q24 (2) MTPL: Motor Third Party Liability. Totals may differ due to rounding

More effective, faster, and transparent management of claims processes

(1) ERP: Enterprise Resource Planning

Türkiye Sigorta: Delivering Differentiated Value Through All Cycles

Consistently Delivered on All Commitments

- **Strong KPI[2] results:** Net Income, ROAE[1], Growth, Capital Adequacy Ratio, Combined Ratio
- **Combined ratio:** Below 100% since 2024 (vs. sector 112% as of 1H26)
- **Superior results:** Technical AND Investment gains
- **Strong ROAE[1], consistent dividend**

Our Structural Advantage: Making Money from Insurance

- **Core underwriting:** Not merely the rate cycle
- **Built to outperform in any macro:** High real rates support yields; normalization supports growth and pricing
- **Resilient earnings model:** Proven across market conditions

2026 Strategic Focus: Expanding Access, Enhancing Experience

- **MOD[3] and Health:** Retail expansion
- **Customer-centric model:** CRM[4], AI[5], sales regions
- **Sustainable growth:** Organization and infrastructure ready for the next growth phase
- **Structural tailwinds:** Low penetration, favorable demographics, strong capital base

(1) ROAE: Return on average equity (2) KPI: Key performance indicator (3) MOD: Motor own damage (4) CRM: Customer relationship management (5) AI: Artificial intelligence
