Explanations	

Pursuant to the provisions of the Regulation on the Procedures and Principles Regarding Payments to Investors by the Investor Compensation Center Following the Partial Annulment of Paragraph Four of Article 13 of the Capital Markets Law No. 6362, dated September 7, 2016 (the "Regulation"), payments are made by the Investor Compensation Center ("ICC") to the rightful beneficiaries in respect of shares whose ownership has been transferred to the ICC due to the failure to dematerialize such shares within the legally prescribed period.

Accordingly, the deadline for applications to be submitted to the ICC by beneficiaries who deliver the physical share certificates of Güneş Sigorta A.Ş., a company acquired by our Company, to our Company together with a delivery report, and who provide the documents required under the Regulation, has been determined as September 6, 2026.

We kindly remind beneficiaries of the aforementioned deadline in order to avoid any loss of rights or potential grievances.

Respectfully announced to the public.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
