

**Commitment Taken within the Scope of “Principles and Procedures
Regarding the Acquisition of Turkish Citizenship” under Section K of
Circular No. 2026/1 on the Private Pension System**

I have a request for citizenship of the Republic of Turkey within the scope of subparagraph (f) of paragraph (2) of article 20 of the “Regulation on the Implementation of the Turkish Citizenship Law”.

As stated in “Implementation Instruction Regarding the Sales of Foreign Exchange to the Central Bank of the Republic of Turkey within the Scope of the Regulation on the Implementation of the Turkish Citizenship Law”, published by the Central Bank of the Republic of Turkey, I know that after the completion of the foreign exchange buying process, the sale of foreign currency cannot be given up for any reason and the related transactions cannot be cancelled.

I hereby declare and undertake that

I know that my private pension contract will remain in effect for at least 3 years from the date of entry into force of the pension contract, and that if I leave the system, even if my citizenship application is accepted, I will lose this right, within the scope of subparagraph (f) of paragraph (2) of article 20 of the Regulation on the Implementation of the Turkish Citizenship Law, and within the scope of the article 1 of Section K of Circular No. 2026/1 on the Private Pension System, of the contribution amount in Turkish Lira obtained after the sale with the Central Bank of the Republic of Turkey; that I know that the pension plan I will be included in will not include funds with the phrase “foreign” or “foreign debt instruments” in their titles, including the funds offered on the Private Pension Fund Trading Platform (BEFAS); that I know that I cannot allocate the required contribution amount to more than one contract to qualify for citizenship; and that I am aware that during the first 3 years from the effective date of the contract, plan changes, account merging due to retirement and transfer to another company cannot be made.
