- ✓ to give a flour for the exchange of student researches' and projects' results
- ✓ to expand students' knowledge in social work
- ✓ to develop a decision making based on values, professional norms and a research results
- ✓ to show a potential and increase the prestige of the profession in Social Work
- ✓ to empower future social leaders
- ✓ to establish academic ties

Social Work - The Revolution of Professional Roles

has been implemented as a Students Coworking in 2018, 2019 at the state level in Ukraine at UCU. New challenges and, most importantly - response to them, have been provided that, even with closed borders, it is possible to be quite close to each other.

We are happy to go to World Wide level and start a Social Work Students International MeetUp and sincerely welcome all Social Work students to take part in every possible way.

Concept of the event:

Students meet-up is aimed to establish a communication and to become a platform for views exchange and share papers' and projects' results in a field of Social Work.

Participants:

- Students of Social Work Program
- Social Pedagogy Program
- Related educational programs (bachelor's and master's)

Ways of participation:

1. Presentation of students research papers (up to 10 min speech for a speaker or team);
2. Presentation of projects results or practical (methodological) solutions in social work (up to 10 min speech for a speaker or team);
3. Listening to the presentations and taking part in discussion.
