Cross-border cooperation filter

Will your project take the form of as a site-specific bilateral or trilateral cooperation (formerly the "cross-border cooperation" category)?

Cross-border projects must deal with specific local issues and activate local communities in a selected border region (e.g. Tokaj wine region, Těšinsko/Sląsk Cieszyński, the Tatras). Project activities must take place within 40 km from the border, preferably on both/all three sides (the partners' official seats do not necessarily have to be located within the 40 km limit). These projects can be bilateral or trilateral (not requiring partners from 3 V4 countries) but only the following combinations of countries are possible (bilateral: CZ/PL, CZ/SK, HU/SK, PL/SK; trilateral: CZ/PL/DE, CZ/PL/SK, CZ/SK/AT, HU/SK/AT, HU/SK/UA, PL/SK/UA).
