Why choose this program?

- Get to know both the apparent and concealed forces that affect self-confidence and mutual trust.
- Learn to use your instincts to build a safety circle – and apply natural principles that build self-confidence.
- Learn how to instill permanent, desirable habits of your personality.
- Get specific inspirational tips on how to build self-esteem and encourage mutual trust.

Who is it for?

For all managers, leaders, team leaders, and others, who want to be themselves – and with an open mind build healthy self-confidence and mutual trust.

How does the course run?

- It will give you the real experience of building healthy self-confidence and mutual trust.
- We combine the knowledge of neuroscience and human biology with practical examples – including application to your specific work environment.
- This program's know how is based on the long-term program [Emotional Leadership](#) – which focuses on changing habits and increasing leadership qualities.

Maybe you don't know that...

... we all need courage to empathic openness for better cooperation, performance and richer lives.

„Darkness cannot drive out darkness; only light can do that. Hate cannot drive out hate; only love can do that.“

— Martin Luther King, Jr.
