QR code – a fast way to reach us

1. Turn on your camera app and aim it at the QR code. If a link to our website appears, click on it and it will take you straight to us.

2. If you own an older smartphone, just download one of the many available free apps for reading/ scanning QR codes, and use it.

#### **Why choose this program?**

- Understand the key restraints and opportunities of intercultural collaboration and learn to avoid problems.
- Master the basic model for understanding the differences between people with different cultural background.
- Learn the basic requirements for building trust in intercultural teams.
- Learn how to integrate working with people from dramatically different cultures and time zones.

#### **Who is it for?**

- Collaboration managers working with people outside our geographical or cultural area
- Members of international teams or people whose colleagues are from other cultures or countries.
- Personalists and management with an interest in setting up processes for intercultural collaboration.

#### **Topics**

- Values and standards as a source of intercultural differences and how to make use of them
- Characteristics of intercultural differences and preparation for their solution.
- Specifics of selected countries, how to use them for your benefit and what to watch out for
- Collaboration between people from different cultures, including specific examples and model situations
- Building trust in intercultural teams
- The influence of intercultural differences on email communication, teleconferences and remote collaboration in general
