**Do you want to be a better leader of yourself and others?
Know your and their inner motivation first.**

Why choose this program?

- It offers transformation of your destructive habits on the level of thinking, emotions and behavior.
- Realize your natural strengths of your personality and their healthy application.
- This course brings an understanding of the causes of conflicts, destructive emotions and, most importantly, a way on "how to change it".
- It offers a growth in personal maturity resulting in an overall improvement of the quality of life.

Who is it for?

- All those, who seek a way to exploit their potential. It is primarily for those who want to become conscious leaders of their abilities and develop abilities and skills of people around them.
- For leaders, managers, and all those who are willing to dedicate time and attention to self-development.
- Only for those who are willing to look at themselves truthfully and with completely "new eyes".

Topics

- Self-leadership and leadership of others
- A map for personality characters orientation
- Understanding of the unique inner motivation
- Self-reflection and accurate personal feedback
- Personal development and support of personal growth of individual team members
- Tips for better communication and collaboration

Methods and techniques

Interactive presentation, guided dialogue – sharing of personality traits, feedback, a coaching approach, personal work on an improvement plan, experience sharing and corrections.
