Why choose this program?

- Understand the new generation entering the workforce.
- Learn how to use the generation shift as an opportunity for your team.
- Define key management techniques to facilitate collaboration with both the new generation and other team members.
- Establish the elements of team and corporate culture to make it compatible with the working style of the incoming generation.
- Learn to encourage innovation, autonomy and motivation of everyone in your team.

Who is it for?

Personalists, team and/or organizational managers working with the new generation – or those, who are looking for new ways to increase motivation and innovation in their teams.

Topics

- Research and real-life experience data on the new generation work behavior.
- Specific steps on adjusting corporate or team culture to attract the new generation and generally encourage innovation and motivation of employees.
- Specific managerial techniques that can turn an “issue” with the incoming generation into an “opportunity” for your team.
- Practical examples from companies such as Google or successful Czech projects.
