

UX/UI DESIGN INTERNSHIP

Merck's digital organization is currently on the look out for qualified interns to boost the workforce in our UX strategy & design team.

In a UX/UI Designers role, you'll take on complex tasks and transform them into intuitive, accessible and easy-to-use solutions for people around the world - from the first-time user to the sophisticated expert. Achieving this goal requires collaboration with our team of other Designers, Researchers and Engineers throughout the design process—from creating user flows and wireframes to building user interface mockups and prototypes. At each stage, you will anticipate what our users need, advocate for them and ensure that the final product surprises and delights them.

What we expect from you

- A design portfolio that demonstrates your methods, processes & design principles for web and/or mobile platforms.
- Production of quality design that accurately reflects a visual design language
- Understanding of typography, color, grid, and composition. Demonstrate best practices for pixel-perfect production considerations and methods
- A broad range of style that can be consistently executed with an aesthetic personality or voice that is consistent, though not restricting
- Strong design background in fundamentals along with relevant internship work, work experience, or personal project experience outside the classroom
- Development and communication of underlying concepts that inspire design implementation
- Solid analytical, creative and visual thinker with excellent communication skills, both verbal and visual
- Familiarity with common design tools like Sketch & Prototyping Tools
- Production and Testing of interaction flows and mocks that accurately communicate product functionality

Benefits & what you can expect from us

- A young team and a nice office outside of the Merck campus
- Startup mentality
- Extensive payment and possibility for additional financial reward for outstanding performance
- A solid foundation for your work and personal development
- State of the art hardware and software
- Support for finding & financing temporary accommodation in Darmstadt
- Visit at a Design Conference or Festival that we'll select with the team
- Drinks & Snacks at the office

At Merck, there are always opportunities to break new ground. We empower you to fulfil your ambitions, and our diverse businesses offer various career moves to seek new horizons. We trust you with responsibility early on and support you to draw your own career map that is responsive to your aspirations and priorities in life. Join us and bring your curiosity to life!

Just send us your application with CV, Portfolio with examples of your work and possible start date for your internship at uxsd@merckgroup.com.
