IPAF COUNTRY REPRESENTATIVES IN TURKEY AND NORDIC REGION

www.ipaf.org

IPAF is an international not-for-profit trade association with offices in several countries and its headquarters in the United Kingdom. Its role is to promote the safe and effective use of powered access worldwide.

As part of its ongoing expansion plans, IPAF is looking for a part-time representative both in Turkey and in the Nordic Region to provide its members with a quality local service, and to improve member and training centre recruitment in the region.
