

Mobile Plant Engineer

ALC are looking to recruit a Mobile Plant Engineer with specific knowledge of Rough Terrain Container Handlers, based mainly in the Leconfield area, but with a requirement to travel to other ALC locations.

The main purpose of the role is to carry out scheduled and unscheduled repairs to a range of Plant Equipment, to include Rough Terrain Container Handlers (RTCH) on site and at site workshops as required to maintain the project equipment availability. Also to provide technical and diagnostic support to other ALC engineers.

A competitive package and van will be provided to the successful candidate.

In the first instance, please provide your CV to Gill.Digman@ALCVehicles.com
