

SUMNER

 UNITED KINGDOM

Sumner Manufacturing is a leading manufacturer of material lifting and pipe fabrication tools, supplying the tool hire, construction and pipework fabrication industries. As part of a planned expansion programme, we are looking to recruit a

Field Sales Manager – UK & Northern Ireland

Ideally, prospective candidates should have the following attributes:

- Good standard of education to A Level/BTEC Diploma level
- Good mechanical aptitude
- Five years field sales experience, preferably selling to the tool hire, construction and pipework fabrication industries
- Be physically fit and capable of demonstrating bulky equipment
- Resident in the Midlands region and prepared to travel extensively throughout the UK
- A full UK Driving Licence with a maximum of three active penalty points

In return, we can offer:

- Competitive basic salary, plus highly incentivised commission scheme
- Company Pension scheme
- Private Health insurance
- Fully expensed company vehicle
- Laptop and fully expensed mobile phone
- 23 days paid holiday, plus statutory days
- Comprehensive product training at our Worcester facility and at our Houston manufacturing plant

Applications strictly by e-mail only to:

Rupert Organ, Sales Manager - Europe & Middle East at
