

CHÂTEAU SOCIANDO MALLET HAUT-MÉDOC CRU BOURG

Case of 6 bottles

The signature of the Gautreau family

Definitely one of the major brands in Bordeaux. Since the 60's, Jean Gautreau, one of the key figures of Bordeaux viticulture, has embodied the property. A man of multiple careers, whose success was built on a series of visions he pretended were just common sense, Jean Gautreau was the true creator of Sociando Mallet as we know it today : a profound and authentic wine, with a sense of pride. Across 50 years, he meticulously added to the initial vineyard with the very best of adjacent terroirs. Unclassifiable and yet at the top, Sociando is unique. Its wines resemble their creator : rooted, open, proud, emotional, vibrant, touching. Jean Gautreau passed away in 2019. Sylvie, his daughter now presides over the destiny of Sociando.

The 82-hectare vineyard is located on a beautiful terroir, made of gravel slopes and hillsides. From the top, looking out to the south, you can see some other hills of the same type: the best places in Saint-Estèphe, Le Boscq, Calon Ségur, Tronquoy Lalande, Meyney, Montrose.

The "demoiselle" is a sort of dragonfly found in the Médoc. Like the dragonfly, this wine of the same name is light and elegant.

Firm, bright, crisp and fresh, with blackberry, tobacco, smoke and spicy cassis character, the wine is full bodied, tannic and should age well.

Delicious in combination with game dishes, lamb, stews and dishes with tomato sauce.
