# JUAN GIL MOSCATEL BLANCO (DRY MUSKAT)

**Grape variety/vinification**
This wine is made from small-grain Muscat grapes sourced from organically certified vineyards. The grapes are manually selected and fermented in stainless steel tanks, French oak barrels, and concrete tanks for added complexity.

**Tasting notes**
Light greenish-gold color with aromas of peach, apricot, and pineapple. The palate is fresh and fruity with vibrant acidity and a long finish.

**Food pairing**
Excellent with fish, seafood, soft cheeses, salads, pasta, and white meat.

## PRODUCER

### Bodegas Juan Gil

Since the building of the new winery many things have changed. The new way of making wine needs technology: rigorous temperature control of wine, stainless steel tanks, and excellent hygienic conditions throughout the process, assures each year the quality levels.
