

# WOLFBERGER PINOT BLANC SIGNATURE

This beautiful white wine is made of Pinot Blanc grapes. The grapes are picked at their optimum ripeness. After alcohol fermentation, the wine matures on lees.

Wolfberger Pinot Blanc Signature has a beautiful straw yellow color. The wine has a typical intense nose with fragrances of fresh hazelnuts and white flowers. It is a supple wine with a long lasting finish.

Very nice when combined with delicate shellfish, sushi, grilled fish in foil or sauce, pies, savory pies, raw vegetables and salads.
