LET'S CREATE A GREEN TOMORROW!
We are Greentom. We like to keep life simple.

That's why we're passionate about making no-nonsense products for everyday use: green, recyclable design, smartly produced.

That is how we add sustainable colour to the world.
The Greentom frame is entirely made of high quality, non-toxic recycled plastic.

The fabric is made from recycled drinking bottles. All materials can be reused or recycled.

The Carrycot mattress is made of organic cotton, flax and wool. Comfortable, safe and sustainable.

For more information visit www.greentom.com/materials
Form follows function: the Dutch are known for their simple and practical design philosophy. A no-nonsense mentality lies at the heart of this rich design tradition.

The Greentom stroller shows that green, smart and design can go hand in hand. This innovative and functional product consists of only 28 unique components, made of recycled plastic and can be assembled anywhere in the world in just 5 minutes.

Local production and short assembly times also mean less CO$_2$ emission. The primary use of two main recycled mono materials allows for easy recycling after use. Good for you and good for the world!
WHAT IS THE GREENTOM STROLLER MADE OF?

Greentom likes to use plastic waste to prevent it from ending up in landfills or in our oceans.

To make the frame, **used plastics** are sorted, cleaned and shredded into flakes. These flakes are the raw material for the frame components.

Used plastic **drinking bottles** are sorted, cleaned and shredded into flakes. These flakes become the yarn that the seat fabric is made from.

Enjoy your stroll and clean up the planet!
YOUR CHILD’S SAFETY IS OUR PRIORITY

Greentom only wants the best for you and your family. Our products are certified according to all official performance and safety regulations.

**Greentom products contain:**
- NO BPA, Phthalate or PVC
- NO Parabens
- NO Fire retardants

Contact our customer care department if you have any other questions relating to our product safety. Please always follow the product safety guidelines and instructions in the manual. That way you and your family can safely enjoy your journey!

LIFETIME WARRANTY

Greentom products are made from high quality recycled materials that offer reliable and consistent performance. This is why we offer a lifetime warranty on the frame of your Greentom stroller. On our website you can find more information on how to register for this lifetime warranty: www.greentom.com/warranty
GREENTOM: THE SMART STROLLER FOR EVERYONE

Smooth ride

Easy fold

Lightweight

Colourful design

Do you need help choosing a suitable product?
Visit page 32 for more information or contact our customer care department.
The Bottle Fabric is our top-quality fibre made from recycled drinking bottles. It’s non-toxic, easy to clean and has an Excellent UPF rating. Up for a different colour? Greentom stroller fabrics can be changed in minutes! Individual fabric sets and various other colours can be purchased in our online shop or at selected retailers.

The Bottle Fabric Collection is available in 9 colours.
4. Choose your accessories:

- Shopping Bag
- Footmuff
- Car Seat Adapter
- Raincover Carrycot and Reversible
- Raincover Classic
The Greentom Carrycot includes a 100% organic mattress that your newborn will love to count sheep on...

The Greentom Carrycot comes with a 100% organic, high-quality mattress made of organic cotton, wool and flax. The triple-layer filling is made of wool sourced from sheep, organically raised in the Northern Netherlands, and from organically grown flax. The cover is breathable, easy to clean and can be washed by hand. Natural materials make this mattress safe, cosy, soft and comfortable. No harmful chemicals are used in its production. Very sustainable!

- one frame fits all
- lightweight (9 kg / 19.8 lb)
- 100% organic mattress
- extremely maneuverable: very smooth ride
- washable, easily removable fabric (UPF rating: Excellent)
- comfortable all-around handling
- easy fold system with integrated folding lock
- available in various fabric- and frame colours
- included: chassis, additional frame, Carrycot fabric, mattress, canopy, basket
Greentom Reversible

The perfect ride for passengers ready to explore more!

It is up to your precious petite passenger when it is time to explore the world. The Greentom Reversible allows you to switch sides seamlessly, allowing your petite passenger to either face you, or the rest of the world. Both positions are fully adjustable from A to Zzzzzz. Perfect for families with a green heart!

- one frame fits all
- lightweight (8 kg / 17.6 lb)
- washable, easily removable fabric (UPF rating: Excellent)
- the five point safety buckle is the safest around
- extremely maneuverable: very smooth ride
- easy fold system with integrated folding lock
- included: chassis, additional frame, Reversible fabric, canopy, basket
- comfortable all-around handling
- available in various fabric- and frame colours
The first green stroller on Planet Earth.

The most lightweight stroller on Planet Earth is as green as it gets. Greentom presents a new generation of lightweight strollers, turning the world of strollers upside down.

Wherever you take your petite passengers, they're bound to remember their first adventures as comfortable, carefree and green. Happy strolling!

- 3 positions: upright, relax or full recline
- lightweight (7 kg / 15.4 lb)
- washable, easily removable fabric (UPF rating: Excellent)
- the five point safety buckle is the safest around
- comfortable all-around handling

- compact upright storage: easy fold system with integrated folding lock
- included: chassis, Classic fabric, canopy, basket
Footmuff

The Greentom Footmuff keeps your little one warm and cosy on cold days. Your stroller’s safety harness can be securely fastened through the openings in the Footmuff. Whichever colour you pick, your Footmuff is guaranteed to be green!

- comfortable and cosy
- the fleece lining is soft and warm
- the zipper provides easy access
- fits the Greentom Classic and Greentom Reversible
Shopping Bag

The Greentom Shopping Bag allows for smart, carefree and hands-free shopping. Carry the bag, or safely attach it to the hooks on your Greentom frame for convenient strolling. Shopping with your child has never been this easy!

- measurements: 36 x 41 x 15 cm (14.2 x 16.1 x 6”)
- storage volume: 20 litres (5.3 gallons)
- maximum load: 10 kg (22 lbs)
- shopping and storage bag in one: includes handles and shoulder strap
- simple and smart design: easy to clean
Raincover

We’ve got you covered! The PVC-free Greentom Raincover keeps your little one protected. Our fold-away Raincover is easy to use and store for hassle-free strolling. The Raincover comes in a bag that attaches to your stroller frame. Unzip the bag and unfold the Raincover as needed, and fold it back into the bag after use.

- water-resistant, breathable material made of recycled plastic
- comes in a bag that can be attached to the frame
- available in 2 sizes: one for Greentom Classic and one for Greentom Carrycot / Reversible
Car Seat Adapter

The Greentom Car Seat Adapter converts your Greentom stroller frame and your car seat into a safe and convenient travel system in a matter of seconds. Just click the adapter onto the frame, attach the car seat and you’re ready to go! The Car Seat Adapter is made of high-quality recycled plastic, a material that’s safe, sustainable and strong.

Our adapter is compatible with the following car seats:

- BeSafe iZi Go (X1/Modular)
- Cybex Aton (2/4/5/Q/M), Cloud (Q/Z)
- Kiddy
- Nuna Pipa (Lite)
- Maxi-Cosi CabrioFix,
  Pebble (Plus/Pro), Mico (30/Max), Rock, NXT, Prezi
- Swandoo Albert

* Greentom strollers are compatible with several car seats from other brands. View page 31 for more information.
Is the handlebar height-adjustable?
In order to keep the stroller as simple as possible, we’ve made the handlebar 102 cm (40”) high and non-adjustable. This is an ergonomic height for most parents.

Which board seat can I use with my Greentom stroller?
The BuggyBoard® Maxi by Lascal Ltd fits the Greentom stroller when used with the Buggy Board connector kit.

Which car seats can I use with the Greentom Car Seat Adapter Set?
- BeSafe iZi Go (X1/Modular)
- Cybex Aton (2/4/5/Q/M), Cloud (Q/Z)
- Kiddy
- Maxi-Cosi CabrioFix, Pebble (Plus/Pro), Mico (30/Max), Rock, NXT, Prezi
- Nuna Pipa (Lite)
- Swandoo Albert

Are Greentom strollers suited to harsh winter conditions?
Greentom strollers have been extensively used in countries such as Poland and Russia, and perform very well in cold and snowy winters. The tires actually ensure a smooth performance and the Greentom Footmuff keeps your petite passenger warm and cosy.
How do I attach the Footmuff to my Greentom stroller? The Footmuff can be attached to the Greentom Reversible either at the top by pulling it over the seat frame, or by use of the harness. The Footmuff should be attached to the Greentom Classic by use of the harness alone, in order to accommodate the longer legs of children who fit the Classic. Please watch the instruction video on our website.

Does my Greentom qualify as carry-on baggage? Most airlines will allow you to check your folded stroller at the gate. Please contact the airline for specific information. We recommend the use of a transport bag for extra protection.

Can I order the 2-in-1 or 3-in-1 in different colour combinations? The 2-in-1 and 3-in-1 are package deals and must be ordered in a single colour combination. It’s always possible to order a separate fabric set in our online shop.

Can I return my purchase? Items purchased in our online shop can be returned, provided they are unused and in their original packaging. The purchase amount will be refunded.

How do I clean the frame and fabric of my Greentom stroller? The frame can be cleaned using a damp cloth. The fabric can be washed by hand, following the washing instructions on the care label.

Where can I buy Greentom products? You can buy Greentom products online at www.greentom.com/shop and at selected retailers. Please check our website for a store near you: www.greentom.com/storelocator
