When you go,
where will I go?

Dear pet owners,

It is always difficult to make decisions while grieving a beloved pet. We have learned this from our many years of experience. That is why we, your ROSENGARTEN team, are at your side during these difficult times. We help you to find the dignified setting you would want for your faithful companion's final journey. Everything we do, we do it out of love for animals. You can rely on our empathy towards your situation.

Your Nietfeld family

What makes Rosengarten a place you can rely on?

All of us deal with bereavement at some point or another, but all too often, we don't talk about it. But if we're honest with ourselves, when a beloved family member's time has come, we often don't know what to do with ourselves.

When we're at this stage, we want a place of protection and safety. ROSENGARTEN pet burials has created this exact place: the Rosengarten.

"When I think of her, i experience the deepest gratitude"

Dog professional Martin Rütter (here with his dog Emma) entrusted ROSENGARTEN animal burial with his pet Mina's final journey.

We're there for you.

Our ROSENGARTEN animal crematorium has offered people a place to say farewell to their beloved pets for years. Since July 2021, this way of saying farewell has also been open to horse owners at our ROSENGARTEN horse crematorium in Badbergen. We can tell you all you need to know about the cremation of your faithful friend.
